Explanation

New Hampshire's only statewide locally owned and operated television network engages minds, connects communities and celebrates New Hampshire with programs that entertain, educate and enrich. Beyond its award-winning local and national television programs, New Hampshire Public Television is a leader in education and community outreach. For more than half a century, NHPTV has provided award-winning locally focused and produced television programs, PBS and independently produced programs that engage, educate and enrich the lives of everyone in the community. NHPTV's original programming captures the people, places and issues of the Granite State. NHPTV's production activities align with its community outreach. Local program productions have included Windows to the Wild, Granite State Challenge, and Our Hometown.

NHPTV is recognized as a partner and connector by other educational and nonprofit organizations. Through programs and educational initiatives and collaborations, NHPTV was able to connect on-air, online and community out-reach to extend their impact around New Hampshire and the region. Community engagement purposefully extends the impact of public broadcasting through a variety of media services, educational materials, and collaborative activities. This reach into communities and classrooms is seen in all locally produced programs and special initiatives. NHPTV's educational focus continued on delivering fewer workshops to larger audiences. All the content delivered to pre-K children and caregivers focused on extending the value of children's on-air programming. The health science and math concepts delivered to lower income areas centered around the materials received from PBS icon children's series and the LiveFIT NH (Recipes for Health) and MESY (Math, Engineering, Science, & You) initiatives. Families across New Hampshire had the opportunity to explore, play and create in the areas of STEM (science, technology, engineering, and math), literacy, art and health through a series of NHPTV Family Outreach Events.
