

## Getting the Most Out of Technology

It is not enough to simply have the latest technology. Teachers need to know the most effective way to integrate it into their teaching. The NHPTV Knowledge Network works with New Hampshire teachers to give them the skills they need to use technology to enhance student learning. Our workshops focus on applications and resources that align to the State Curriculum Frameworks and offer real solutions and ideas that can be immediately implemented in the classroom.

## Video on Demand Workshops

**Winter/Spring 2006**

*Because Knowledge Makes a Difference*

## Video When You Need It

Video on demand or VOD allows you to access video when you want it! On the Web this means you can access and view video live via streaming or in some instances you can download video directly to your computer or a server to view later. NHPTV offers a variety of training options to schools to help them more effectively the resources available for video on demand services.

**We offer three options for video on demand training!**

### Sign Up for a Scheduled Class

Teachers can register for one of our scheduled classes listed in this brochure. These classes are held at New Hampshire Public Television in our Technology Learning Lab. Classes run from 9:00 a.m. to 3:00 p.m. and are \$75.00, with lunch included.

### Book Our Learning Lab

Schools and school districts can book our Learning Lab and schedule a video on demand workshop for up to 14 teachers. You can select a workshop from those offered or we can design one to meet your specific needs. The cost for booking the Lab is \$350, with lunch included. That's a savings of \$700! Workshops can be booked Monday-Saturday

### Have Us Come to You

Our trainers are available to come to your school or district. You can select a workshop from our scheduled offerings or we can design training to meet your specific needs. A full-day workshop is \$350 and half-day session is \$200.

Located at the NHPTV Broadcast Center in Durham, the **Technology Learning Lab** will accommodate up to 14 educators.

## Video on Demand Workshops

### 3/7 or 3/28 Introduction to VOD

Learn more about video on demand services available to K-12 schools. You will learn about and see demonstrations of Safari Montage, Power Media, and other video on demand services.

### 3/14 Introduction to Safari Montage

Teachers will learn more about Safari Montage and have the opportunity to see and use some of the video resources offered by the service. SAFARI Montage is a Video-on-Demand Server that comes pre-loaded with 1,000 fully segmented programs from PBS, the BBC, National Geographic, Weston Wood, and WGBH. The server resides in the school and teachers and students can search for videos by grade level, subject, and keyword. In addition to video, the server also has quizzes, teaching materials, and state alignments.

### 3/21 Introduction to Power Media

Learn more about Power Media and have the opportunity to see and use some of the resources offered by the service. Power Media offers 2,200 educational videos, more than 15,500 core concept video clips, 4,000 curriculum-oriented audio files, 25,000 photographs, illustrations, and clip art images, and 5,000 print resources, including standards-based learning objectives. Schools can access resources from Power Media's server, or download materials to their own server.

## Already Using Video on Demand?

**Schedule one of these workshops at your school :**

### Using Safari Montage in the Classroom

Designed for schools already using Safari Montage, teachers will learn ways to effectively use the service in the classroom and develop lesson plans and activities using video on demand.

### Using Power Media in the Classroom

Designed for schools using Power Media, teachers will learn ways to effectively use the service in the classroom and develop lesson plans and activities using video on demand.

### Using unitedstreaming™ in the Classroom

For schools already using unitedstreaming™, teachers will learn ways to effectively use the service in the classroom and develop lesson plans and activities using video on demand.

## Registration Form

### Registration

Registration must be accompanied by full payment. You may pay by check, credit card, or purchase order. If you are paying by purchase order, please call to confirm your registration.

### Cancellations

If a class needs to be cancelled due to weather or low enrollment numbers, we will make every effort to contact all participants by phone or e-mail. Cancellations due to weather will be posted on [www.nhptv.org/kn/workshops.htm](http://www.nhptv.org/kn/workshops.htm) by 6 a.m. on the day of the class.

### Directions to New Hampshire Public Television

New Hampshire Public Television is located at 268 Mast Road in Durham, NH. You can find directions at [www.nhptv.org/about/dir.htm](http://www.nhptv.org/about/dir.htm).

### Off-Site Workshops and Workshop Requests

If you would like to schedule a video on demand session at your school or if you would like to reserve our Learning Lab, contact Carole Berry at 1-800-639-3413.
