NH TOP PICKS

MASSIVE NATURE

Imagine being at the very heart of a swarm of bats, 20 million strong, or in the middle of a huge mass of migrating wildebeest. You could be amidst the mayhem, alongside animals who might die, so the rest may live. This spectacular new series unravels the mystery behind the world's most dramatic wildlife events. **2/1 & 2/8 @ 8 p.m.**

National Parks: America's Best Idea
Enjoy this stunning 6-part

documentary series by Ken Burns and Dayton Duncan. Let them be your guide on this century-long journey blazed by pioneers, adorned with the most breathtaking views on Earth, preserved for all of us. **Wednesdays @ 9 p.m.**

NATURE Wild Balkans

Thick forests, vast wetlands, deep chasms – this is a wild, inaccessible place that belongs more to myth than reality. The landscape looks as if it was taken straight from Tolkien's *Lord of the Rings*. This is not Middle Earth; rather it is middle Europe – the Balkans. The landscape is still untouched, and in it are wild animals that have all but vanished from the rest of Europe. **2/4 @ 9 p.m.**

FACES OF AMERICA

What made America? What makes us? These two questions are at the heart of **Faces of America**. Professor Henry Louis Gates, Jr. unravels the American tapestry, following the threads of his guests' lives, including actress Meryl Streep, back to their earliest origins around the globe. **2/15 & 2/22 @ 8 p.m.**

MASTERPIECE CLASSIC PERSUASION

After refusing the proposal of the dashing Captain Wentworth, Anne Elliot is destined for spinsterhood at the age of 27. Eight years later chance brings them together again. Will they rekindle their passion? **2/26 @ 9 p.m.**
